

How can we help you?

Insert company logo

We know times are hard.

Many of our clients have shared their concerns about how COVID-19 is affecting them financially.

We are here for you and can help save you money.

Many people don't realise that they could be overpaying for their General Insurance (GI) policy or be paying a very low premium but have very poor cover that will cost them substantially if they need to make a claim.

We have partnered with Uinsure and will search a panel of leading insurers offering Defaqto and Moneyfacts 5 Star rated cover to seek out savings for you.

We will check your current cover to make sure it provides the level of protection you need today and seek out better rates for you.

For a limited time only, if you have a cancellation fee on your existing policy we will pay this!*
